

Worksheet 6

An Argument is: A-R-E + L

A: ASSERTION (a position/motion/resolution/claim)
What?

This is your position!

R: REASON (a warrant)
Why?

Here you say: "Because..."

E: EVIDENCE
How?

This is your proof for the reason. A proof often can be:

- EXAMPLES
- DATA (Statistics/Research)

+ L: LINK back to the Assertion!

Here you connect again with your assertion/position!
