

## Activity 20

“TV-Show – Meet our Guest!”

Goals: pose critical questions / explore elements of truth in two opposing stances.

The teacher invites a guest who represents a certain position.

Students are the audience of a “TV-show” who has critical questions for the guest.

The teacher has a (mock) microphone and hands it to each student who wants to ask a question.

In another session another (or the same!) guest is invited to advocate for the opposite position.
